Dear Dr. Hashim:

I am pleased to send you a copy of the final program from the joint meeting of the Winter Neuropeptide Society and the European Neuropeptide Club. The meeting was a great success and plans are well underway for the next joint meeting, which will be held in Kitzbühel, Austria.

The New York Academy of Sciences will publish the proceedings of this first joint meeting "Neuropeptides in Development and Aging" as an *Annal* and we are happy to be able to acknowledge your support on one of the front pages.

We were sorry that Dr. McAllister could not attend this meeting - he is always a most interested and stimulating participant. Perhaps the meeting in Kitzbühel, Feb 8-11, 1997 will fit in with his schedule.

Our thanks again for your support.

Yours sincerely,

*Fleur L. Strand*
